10 Scripture-centered scenes for reflection, creativity, and quiet time with God

"Be still, and know that I am God."

Psalm 46:10 (KJV)

# Welcome to Your Coloring Journey

This book was created for adults and teens who want to slow down, reflect on Scripture, and engage biblical truth through creative practice.

Each section begins with a short King James Version Scripture excerpt and a reflection prompt. Read the passage in your Bible, sit with the question, then color the original illustration at your own pace.

For the best results, place a protective sheet behind each coloring page when using markers. Colored pencils, gel pens, and fine-tip markers work especially well with the detailed line art.

All illustrations in this edition are original AI-generated line art created for this book. Scripture excerpts are from the King James Version.

### A simple rhythm

1. Read the verse in context.
2. Breathe, pray, and reflect.
3. Color without rushing.
4. Write one truth to carry forward.
