CHAPTER & VERSE

LARGE PRINT BIBLE WORD SEARCH

Volume 1

30 Scripture-based puzzles
Easy-to-read letters | Answer key included

Welcome

This book has 30 word search puzzles, each built around a Bible story, person or teaching. The letters are large so they are easy to read.

How to play: look for each word in the list. Words run across (left to right), down (top to bottom), or diagonally (down and to the right). Circle each word you find.

Before you search, read the passage printed under the title. Puzzles are a good way to review the story and remember the names and places.

The answer key is at the back of the book.
